The Curse of Oak Islands treasure hunters Rick and Marty Lagina have been approached by The History Channel

The History Channel airs the six-episode season finale of *The Curse of Civil War Gold* at 10 p.m. April 10, 2018. The show has a big Michigan For decades, Civil War buffs and assorted fortune seekers have combed northwestern Pennsylvania, looking for a Union shipment of gold that With Union troops closing in on the Confederate capital of Richmond, Virginia, in early April 1865, President Jefferson Davis and the rest of his *The Curse of Civil War Gold* premieres at 10 p.m. Tuesday, March 6. Dozens of FBI agents have descended on a Pennsylvania forest where Civil War gold may have been hidden 155 years ago. Local lore has it that a Civil War gold shipment was lost or hidden during the 1863 Battle of Gettysburg. Next week the History channel premieres *Confederate Gold* featuring treasure hunters Rick and Marty Lagina (*The Curse of Oak Island*) The gold rush at sleepy Dents Run, Pennsylvania, was triggered by a mysterious FBI dig in the nearby forest last week. - 41 sec - Uploaded by HISTORY Marty Lagina, of HISTORY's #1 series *The Curse of Oak Island*, has been approached by - 2 min - Uploaded by DAHBOO77

It's the stuff of legend: A wagon from the Union Army supposedly lost a huge cache of gold Legend has it that in 1863, just before the outbreak of the Battle of Gettysburg, the Union Army dispatched a wagon train filled with gold that I am sure there are mysteries surrounding every War, but the disappearance of the Confederate Treasury is a most interesting conundrum. Government agents and treasure hunters are in Dents Run, Pennsylvania, where a legendary cache of 50 gold bars worth up to \$54 million
