

Architecture According to Pigeons

Hello, I am Speck. Come along, come along! Architecture According to Pigeons is a fun, lively introduction for children to worlds most beautiful buildings. In this delightful book, Speck Lee Tailfeather reveals that he and his fellow pigeons are in fact great aficionados of architecture. Speck delivers his account of a journey around the globe, offering a birds eye view of the Colosseum, the Taj Mahal, Golden Gate Bridge, the Sydney Opera House, the Eiffel Tower, Frank Lloyd Wrights Fallingwater, and dozens of other buildings to delight children and parents alike.
