

The Book of Caribbean Cooking

Founded upon the ethnically diverse peoples who settled there, the cuisine of the Caribbean is extremely varied. Combine that with the tropical climate and exotic plants and animals and the gourmet is presented with a wonderful treat for the palate.

The Caribbean Cuisine Cookbook includes a mixture of cooking techniques, flavours, spices and ingredients from the indigenous people of the Caribbean. Robust and spicy, full of pungent flavors, Caribbean cuisine is gaining recognition as a vibrantly distinct style of cooking. Now, Virginia Burke sets off on a journey to explore the diverse flavors of the Caribbean. *The Complete Book of Caribbean Cooking* [Elisabeth Lambert Ortiz, Moneta Barnett] on . *FREE* shipping on qualifying offers.
