

Dilly Dally Daisy

Get ready with Daisy the dawdler as she tries (really!) to get it together in this very real, very funny spin on dilly dallying. Daisy Marsha Martin is always late. For good reasons, of course. She's busy saving the world, or teaching her stuffed animals to dance, or finding the perfect shirt to wear. But if Daisy is late one more time, then it's no more mermaid swim class for her! This is the perfect story for fans of everyday silliness and for every kid who has been told to stop dawdling.
