

Jackalope

A roaring good time. School Library Journal You see, the jackalope didnt start out with horns. First he was a plain old hare. You know, a jackrabbit. The horns came later, along with a corny fairy godrabbit and a cranky coyote. And the trouble those horns brought hoooo-wee! With a gut-busting brew of sassy storytelling and outrageous art, Janet Stevens and Susan Stevens Grummel finally give the jackalope his due. After all, hes long been part of American legend isnt it time to tell the real story?
