

Mist & Whispers (The Weavers Riddle) (Volume 1)

Imagine a world in eternal darkness. A world where skeletal beasts lurk in the forest. Where the women are missing, and the men are in need of salvation... In the West-English town of Little Wolf Green, Scotts bookshop is about to close down. Convinced the bookshop holds the key to her mothers identity, sixteen year old Anya Piddling vows to save Scotts, whatever the cost. When four books of magic and myth take the world by storm, Anya begins a journey to discover the truth about the author, known only as the Weaver. Followed closely by her friends, and one surly, bitter ex-boyfriend, Anya soon realises a whole new world awaits: a world gone very wrong, with maddening whispers in the forest, magical winged Kings and a dragon-boy that understands her, inside and out. But this world needs a saviour... and everyone is looking at her.
